

Hi, Reading Friend of D.I. Telbat!

A subscriber friend, Janet, suggested we make a **list of all David's novels, with the suggested order** they should be read, including their relationships with the other series. What a great idea! So, here's that list.

Keep in mind—all these novel series can be read as standalone series, but some of the characters do show up in some of the following series, so you might enjoy them more when you know their backgrounds. **Not all of these novel series are connected with one another.** Explanations to follow. [Click on any link to read book descriptions.](#)

The COIL Series

David's first series was [The COIL Series](#), including the FREE prequel, and five books.

FREE Prequel, [Dark Edge](#)

Book 1, [Dark Liaison](#)

Book 2, [Dark Hearted](#)

Book 3, [Dark Rule](#)

Book 4, [Dark Vessel](#)

Book 5, [Dark Zeal](#) (final in series)

The COIL Legacy

David decided to take COIL into another series, [The COIL Legacy](#), including the free prequel, and three novels. **Some characters have carried over from the first series, but it can be read satisfactorily as a standalone series.**

FREE Prequel, [Distant Boundary](#)

Book 1, [Distant Contact](#)

Book 2, [Distant Front](#)

Book 3, [Distant Harm](#) (final in series coming late 2017)

The STEADFAST Series

David wanted to go into futuristic, apocalyptic writing, helping readers focus on End Times and the soon return of Jesus. [The STEADFAST Series Novellas](#) are **NOT related to the COIL books**, other than they help **bridge the timeline gap** between *The COIL Legacy Series* and what he plans for the future series, *Last Dawn Trilogy*.

[Steadfast Book One](#)

[Steadfast Book Two](#)

[Steadfast Book Three](#)

[Steadfast Book Four](#)

Steadfast Book Five (coming 2018)

Steadfast Book Six (coming 2018)

Last Dawn Trilogy

This is a coming series for 2018. You can read about the [Last Dawn Trilogy](#) in our [October 2017 Update post here](#). This futuristic series will merge *COIL* characters with *STEADFAST* characters and storyline. The new series will feature the next generation from past *COIL* characters, taking them into America's Last Days, which is featured in *The Steadfast Series*. This series will be **written as a standalone series**, though if you've read past series, you'll be familiar with some of the characters or families.

Book 1, *Dawn of Affliction* (coming 2018)

Book 2, *Dawn of Oppression* (coming 2018)

Book 3, *Dawn of Pursuit* (coming 2018)

Standalone Books and Series

The following standalone books and/or series are **not related** to *COIL* or *STEADFAST*, but they are listed here for your convenience. Just click any link to **visit the book page on our website to read a description**.

The Leeward Set

[The Leeward Set](#) includes two books, not connected to other novels. (end of 2017)

Book 1, [Fury in the Storm](#) (**Note:** this book was **previously published** under the title, *Sea Scribe*. We felt that title didn't serve the storyline well, so we are re-publishing it under a new cover and title.)

Book 2, [Tears in the Wind](#)

Single Standalone Novels

[Arabian Variable](#)

[Called To Gobi](#)

[God's Colonel](#)

[Jaguar Dusk](#)

[Primary Objective](#)

[Soldier of Hope](#)

[Legend of Okeanos](#)
